BOOKING TERMS & CONDITIONS

PAYMENT OPTIONS

Payment can be made by cash, cheque or direct deposit. Please contact us for details. Cheques for deposits must be made out to Planet Blue Tours.

DEPOSITS & PAYMENTS

The nominated non-refundable deposit of 10% of the tour cost per person is required to secure your place on all tours and cruises offered. You must pay the balance of the price of our tour no less than 60 days before departure date.

TRAVEL INSURANCE

It is a requirement that all passengers must purchase appropriate travel insurance at the time of booking. Your travel insurance policy must include coverage for cancellation fees. Proof of insurance cover purchased elsewhere is required to be submitted to us prior to departure.

PRICE CHANGES

Currency fluctuations, changes in airfares, and/or tour/cruise costs can happen without notice. It is our intention that any such changes will be advised in advance. In the event of significant movements in currency exchange rates it may be necessary to apply from time to time a currency surcharge. The price is only guaranteed once paid in full.

AMENDMENTS & VARIATIONS

A requirement of travelling on a group tour airfare is that all passengers must travel together on the outbound international flights. Extensions and deviations can be made on application to the return flight journey.

Please let us know at your earliest convenience if you want to apply for any changes to the group flights so we can lock in your alternative arrangements to avoid disappointment. Amendments made after payment may incur a service fee plus any charges applied by our operators/airlines. This includes name change fees due to incorrect information being provided.

CANCELLATION

Cancellation penalties apply once payment has been received. No refunds will be applicable to any termination of any reservations or tours once travel has commenced. Travel insurance may cover these costs but must be verified with the insurance company.

MINIMUM GROUP SIZE

All tours are costed on a minimum group size. Should the group number fall below this, we may make any appropriate adjustments, including cancellation or surcharge.

RESPONSIBILITIES

It is the responsibility of all passengers to ensure that they hold a current passport and any visas or documentation necessary, including any recommended vaccinations.

All passports must have a minimum of 6 months validity from the arrival date back into Australia.

Vaccinations may be required for travelling to some countries. Please see your local doctor or a specialist vaccination clinic for advice.
